# Happenings in other leagues

A slightly belated look at what has happened in the leagues around us during the close season and the changes that have been made. We will, as we normally do in pieces such as this, start with the two leagues that feed directly into the Sydenhams Wessex League, i.e Hampshire Premier League and Dorset Premier League.

The Hampshire Premier League ran last season with Divisions of 16 and 9 respectively. The top 3 teams in Division One - Four Marks, Sway and Upham all applied for promotion to the Premier League and with the mid-season withdrawal of Andover Lions it was agreed the bottom side Stockbridge would not be relegated.

Four Marks ground was not ready, but they were promoted to the Premier League on the premise that all the grading criteria would be met by the end-March 2018 - if they fail to meet the requirement then they will be relegated. Sway, who's ground met the necessary criteria appealed against the decision in favour of Four Marks (and a query was also raised as to why Stockbridge would not be relegated). The matter was taken to a higher authority and it was decided to promote both sides and also retain Stockbridge, thereby increasing the Premier Division to 17 teams (a strange decision in some people's mind). After all of that, Four Marks then decided that they could not field a strong enough side for the next level and remained in Division One.

The Dorset Premier League had a much simpler time. Swanage and Herston applied for promotion to the Wessex League but never completed the necessary ground improvements - and failed to finish in the top three in any case. The only changes were the relegation of bottom club Cranborne and the promotion of Milborne Port to the Premier League. New boys Milborne Port then had a tough opening day introduction - losing 10-1 to Swanage.

North to the Hellenic League now where there was the customary promotion and relegation between the Premier League and Divisions One (East and West) - with one extra promotion slot after Carterton withdrew during the season. Pewsey Vale, who joined Division One (West) after leaving the Wessex League, will now spend a lot of their time on the road travelling to various parts of Oxfordshire rather than Hampshire and beyond. The league could also be vulnerable to the changes at the end of the current season as many of the teams in Division One do not meet the ground grading criteria. Sussex are in a similar position, but not quite as bad, with a sound Premier Division. But again, problems lower down due to ground grading. They have also retained Ferring in Division Three. A little surprising as last season they lost all matches, scored 14 and conceded 300 goals. Unless they have improved significantly, does it do them or all other teams any good if there is a repeat this season?

## Today's Visitors

Cowes Sports come to Barlow's Park this evening having played five games in the Wessex Premier Division this season - winning once, drawing twice and on the losing end on three occasions. In the FA Cup, they recently went out 3-0 against Hellenic Premier League leaders Bracknell Town.

On Saturday they suffered a narrow 1-0 reverse at home to Lymington Town and at this early stage of the season they find themselves in 14th place in the 22 team league table. Their current leading scorer is Darren Williams who has notched three goals so far this season.

Initially formed in 1881 and in 1898/99 Cowes Sports played in the top division of the Southern League against the likes of Tottenham Hotspur, Millwall and Bristol City, but poor results and financial difficulties saw the club fold in mid-season. They reformed in 1903 and moved to their current home in 1912.

In 1932, they lost to fellow Isle of Wight side Newport in the final of the Hampshire Senior Cup at The Dell in front of a crowd of 21,000.

The club then reached the 4th Qualifying Round of the FA Cup in 1963 and the 4th Round Proper of the FA Vase in 1994 - the same year as they joined the Wessex League.

The League Cup was won in 1999 and they have won the treasured Isle of Wight Gold Cup on over twenty occasions - the most recent being in 2012. The club gained Charter Status in the 2012/13 season.

Last season the club finished in 18th position in the Wessex Premier Division avoiding relegation with a final day victory over Amesbury Town. Towards the end of the season long serving Manager Richie Woodburn left the club and was eventually succeeded by ex-England international Steve Hunt.

Steve has played for Aston Villa, Coventry City, West Bromwich Albion and New York Cosmos in an illustrious playing career.

Cowes Sports home ground is Westwood Park, Cowes, Isle of Wight PO31 7NT.

## Editors Note - by Mike Warth

Good evening and welcome to Barlow's Park for tonight's Hampshire Senior Cup 1st round tie. A particularly warm welcome is extended to the players, officials and supporters of Cowes Sports - and also to tonight's match officials.

Tonight sees us in cup action for the first time this season after three league matches - the most recent being a rather scrappy 1-1 draw with New Milton Town on Saturday. Skipper Scott Kinge fired in our goal after the visitors had taken the lead with a real fluke early on.

The depth of our squad is proving to be important, even at this early stage, as we have already suffered unfortunate injuries after just three games. Changes are never helpful in creating consistency within a team and having been without Kieran Greene and 'Bill' Mellos recently we saw Alex Charlick and George Hallahan have to leave the field on Saturday with injuries. George's injury looked like a hamstring - which could possibly keep him sidelined for a few weeks?

Manager Danny Dolan has acted swiftly to fill the left side of defence with the signing of Tom Walsh from Hartley Wintney and he made a very positive debut against New Milton Town.

As usual in this league there were some interesting results at the weekend. US Portsmouth enjoyed a fine 3-0 home win over Christchurch, whilst Ringwood Town, who had already conceded 16 goals, proceeded to blast five past Whitchurch United who could only manage one in reply. Andover New Street are enjoying their best start to league campaign for a good few years and were 2-0 victors at home to Verwood Town. There were also wins for Romsey Town, 2-1 over AFC Fawley and Totton & Eling took the points against Downton with a 3-2 win. Folland Sports picked up their first points of the season with a 2-0 win at Weymouth. The other games ended in draws with AFC Stoneham and Hythe Dibden finishing goalless and East Cowes Vics sharing four goals with Alton.

We return to league action on Saturday with a visit to Downton, Kick-off 3pm.

The winners of tonight's tie will be at home to Bashley in the 2nd round who had the distinction of travelling to Guernsey to play Northerners AC in their 1st round match - winning 2-1.

Please note that you can also follow us on Twitter @tadleycallevafc for latest updates & news on all teams including future social events.

Barlow's Park is a modern football facility consisting of several pitches and a clubhouse.

The facilities, which include changing rooms and a board room, are also available to other local organisations.

Situated in Tadley on the Hampshire/Berkshire border, it is run by volunteers on a non-profit basis, to provide football amenities to the local community.

The Park is managed by the BPMA (Barlow's Park Management Association). Since taking over in September 2007 ongoing improvements have and continue to be made. The latest of which include pitch fencing, hard standing, flood lights and a club house.

# Bright and Breezy!

Tadley Calleva 1 New Milton Town 1

*Sydenhams Wessex League Division 1  
Saturday 19th August 2017*

We retained our unbeaten run in this rather messy game at a sunny but breezy Barlow's Park on Saturday. Without Brett Denham and Danny Vickers from last weeks win, further changes were needed to be made with Paul Coventry moving up front and Alex Charlick returning from injury to the midfield

Our visitors received a huge sice of luck as early as the 7th minute when full-back Ant Harris mishit his intended cross to the far post only to see it catc the wind and head towards the near post. This caught out keeper Craig Atkinson who in anticipating the cross had left his line and desite his valiant efforts was unable to claw the ball back before it went into the net.

It was something of an uphill struggle for the lads from that point, but George Hallahan did come close to equalising when he intercepted a weak headed back pass and shot towards goal only for advancing keeper Kieran Burgess to block his effort.

We continued to press forward and long range efforts from Alex Charlick and Darryl Phillips flew narrowly over the bar, whilst Scott Kinge saw his headed effort deflected wide by a defender. However Scott was again

on hand to bring us level on 41 minutes when,after good build up play between Darryl Phillips and Paul Coventry, he fired his shot into the bottom corner of the net past the diving Burgess

New Milton were gifted the chance to again go in front 5 minutes after the re-start when the referee awarded a penalty for an off the ball infringement in the box at a corner kick. Thankfully Craig Atkinson dived superbly to his left to push away Brad Aspin's strike. New Milton again came close midway through the 2nd half, but great defensive covering by Sam Hamilton saw him clear Dominic Falco's goalbound effort to safety. Atkinson produced another fine save to deny the same player soon after. At the other end George Hallahan saw his curling shot from distance fly narrowly past the post after some good work from Archie Fawcett.

The game took a bit of a sour note late on when the visitors wing back Michael Finch was shown a straight red card for a particularly reckless challenge on Scott Kinge.

All in all a disappointing result, but both sides will have to be happy to settle for just the one point, remaining unbeaten and retaining their places in the top six.

# The History

## In brief

Tadley has had a football team since the early 1900's. In the modern era the team was re-formed in 1989 and played in the Basingstoke and North Hants Leagues before winning promotion to the Hampshire League.

The club was formed as Tadley F.C. in 1989. They joined the Hampshire League Division Three in 1994, finishing runners-up in 1995–96, gaining promotion to Division Two.

The club changed it's name to Tadley Town F.C. in 1999 and joined Division One upon re-organisation. In 2004, they changed their name to their present name and entered the Wessex Football League Division Three.

Division Three was re-named Division Two in 2006, and the club finished runners-up in 2007. In the 2007–08 season, they won the Wessex League Division One title but were denied promotion as their ground did not meet the requirements for the Premier Division. The Reserve side was also very successful in the same season by taking the Wessex Combination League title.

Since then the team has remained in Division One and has steadily been making progress on and off the field year on year. They narrowly missed out on promotion in 2014-15 and 2015-16 respectively by finishing in 3rd positions in both seasons.

In the 2010–11 campaign they reached the final of the Basingstoke Senior Cup losing to Thatcham Town 4–1. The club then went on to win the same cup in 2013-14 beating local rivals AFC Aldermaston 3-2 (aet) in the final. In September 2014, the club recorded probably the best result of its modern history, defeating Conference South Basingstoke Town on penalties in the Hampshire FA Senior Cup at the Soccer AM Stadium (formerly 'The Camrose') after a 2-2 draw in 90 minutes.

The club had it's best run in the FA Vase last season reaching the 3rd round proper before eventually being knocked out 4-2 after a replay and extra-time against Newport (IoW) from the Premier Division. They also reached the final of the North Hants Senior Cup last season losing out 3-1 to Premier Division side Whitchurch United - again at The Camrose.
