A Decade Ago!

As we break new ground with our first ever season in the Wessex Premier Division, a look back of ten years to season 2008-09 is proof of the progress the club has made in the intervening period. Ten years ago the Wessex League had a Premier and First Division (as now), but also had two Combination Divisions).

Tadley were in Division One, but before looking at that in detail, the Premier Division was won by Poole Town who finished 15 points clear at the top. The Premier Division also included Wimborne and Moneyfields (who have now gone on to greater things) as well as Brading Town and Hayling United whose fortunes in the intervening years has not been as fortunate.

Division One consisted of 21 clubs that season, eleven of whom - Totton & Eling, US Portsmouth, Petersfield, Whitchurch, Hythe & Dibden, Fawley, Ringwood, Amesbury, Verwood, Downton an East Cowes Vics - will be competing in the First Division this season.

Three other clubs - Portchester, Shaftesbury and Andover New Street, like ourselves, will be competing in the Premier Division. This leaves six other clubs who have moved on to pastures new - Blackfield & Langley will be competing in the Southern League (we wish them well), Stockbridge are in the Hampshire League (but have ambitions to return to the Wessex League), Aldermaston have moved to the Hellenic League, Fleet Spurs moved to the Combined Counties last season, whilst Warmminster

remain in the Western League (after a reprieve from relegation by the FA) and Farnborough North End, after experiencing ground problems, dropped down the leagues before the club folded.

So how did Tadley fair in season 2008-09? The answer is, I'm afraid, we could have done better. After winning the league and North Hants Cup the season before, we finished in 16th place of the 21 clubs. However, we did finish 24 points clear of the bottom side Fleet Spurs.

On the opening day of that season we went down by the odd goal in three at home to Stockbridge and skipper Shaun Dallimore is the only player who remains with the club from that game. Other names to recall from those days are; Tyrone Aldridge, Peter White, Ally Brown, Ashley Ledger, Ashley Perry and Luke Walker respectively. Peter White made the most appearances that season and was our leading scorer with 19 goals.

We also experienced a couple of heavy defeats that season, when we conceded seven goals in a game on three occasions - against Hythe & Dibden, Blackfield & Langley and at home to US Portsmouth. The Division was won by Totton & Eling, who finished 9 points clear of runners-up Blackfield & Langley.

Ten years on, things have changed for the better and we look forward with excitement and anticipation as to what the current season will bring #TCFC

Tonight's visitors

Bemerton Heath Harlequins

Today's Visitors

Tonight's visitors opened the 2018-19 season against Sholing FC on Saturday and unfortunately suffered a 4-0 home defeat. A Dan Mason hat-trick and a single from Lee Wort did the damage for the visitors. Bemerton will be coming to Barlow's Park this evening with the intention of putting that defeat behind them.

The Club was formed in 1989 as an amalgamation of Bemerton Athletic, Moon FC and Bemerton Boys with all three clubs having been successful in their own spheres.

With all three clubs looking for fresh challenges the new club was formed with the aim of Wessex League membership the number one priority.

Since its formation the club has gone from strength to strength, achieved Wessex League football, and now runs sides from Under 10 through to the first team.

The Club has become a consistent league force and in 1993 finished 3rd in the league, had lengthy runs in the FA Cup and FA Vase, won the Wiltshire Senior Cup and completed a hat-trick of Hospital Cup victories.

Progress continued with the Wessex League Combination Championship in 1997, League Cup runners-up in 1998 and the last 16 of the FA Vase in 1999. During this period and beyond, the facilities were constantly improved with the superb clubhouse and the Les Pantlin Stand.

Success on the field continued with 3rd place in the league in 2010 and victory over League Champions Poole Town in the Wessex League Cup Final at the home of Christchurch FC.

Further honours included the Russell Cotes Cup in 2012 along with 2nd place in the league and runners-up in the Wiltshire Senior Cup.

The club play at Western Way, Bemerton, Salisbury SP2 9DT and are affectionately known as 'The Quins'.

Last season they finished in 11th position of the Wessex Premier Division with Jacob Rawkins their top scorer with 24 league goals.

A Good Start!

Editors Note

Good evening and welcome to Barlow's Park for tonight's Wessex League Premier Division match. A particularly warm welcome is extended to the players, officials and supporters of Bemerton Heath Harlequins FC and also to tonight's match officials.

Well, what a start on Saturday, just what was required - a home win in our first ever game at Step 5 level. It was a bit of a nervous start to the match to be honest and after we conceded on two minutes the nerves didn't get alleviated much. However, the lads responded well, grew into the game and eventually took control of the match running out 3-1 winners. Danny and his staff will be hoping that this result will give his players the confidence to compete with any side at this level. Our visitors tonight will have different ideas and hoping to make up for a 4-0 home defeat at the hands of Sholing FC. So we should be in for a good competitive match.

We had four debutants on Saturday; Elliott Parker, Simeon Howell, Elliot Amadiou and Harry Pearson respectively. Simeon made his presence felt in midfield and capped a good day by scoring the 3rd and final goal. However, it was 'old boy' Brett Denham who made the main difference to the game by setting up the equaliser for Sam Hamilton and scoring the second two minutes later.

The squad is looking very strong this year which will be needed for the long season ahead. A few were unavailable for Saturday's match or out injured so competition for places will be fierce.

Other notable results in the Premier Division on Saturday; Alresford Town (some people's favourites for the title) lost 1-0 away at Portland, AFC Portchester (joint favourites with Sholing?) were comfortable 5-2 winners over Team Solent and Baffins Milton Rovers (our opponents in the FA Cup this weekend) drew 0-0 away at Shaftesbury.

Christchurch and Andover New Street (the other two promoted sides along with ourselves) had mixed opening day fortunes. Christchurch won 2-0 away at Horndean whilst Andover New Street suffered a 2-0 defeat away to Bashley. Early days I know, but it's good for us to get off the mark.

Our Reserve side travelled to Romsey Town on Saturday in a pre-season friendly and came away with a 1-1 draw - youngster Bailey Goodenough on the score sheet.

Great Fightback...

Tadley Calleva 3 Fareham Town 1

*Hamilton, Denham, Howell Laycock
(Attendance 104)*

Sydenhams Wessex League Premier Division Saturday 4th August 2018

Tadley Calleva started their Wessex Premier Division campaign off strongly, overturning a one goal deficit at the break, beating Fareham Town by three goals to one.

With Danny Dolan away Brian Dury took charge of the primary game of the season and named a very strong team including four players making their competitive debuts for the club. Harry Pearson, Elliott Parker, Elliott Amadiou and Simeon Howell all made their first appearance in the league for the Romans.

It was a strong start for Fareham, putting pressure on the home team from the off. This resulted in an early goal in the game with Callum Laycock rising above the Tadley defenders and heading home after a cross from the right. With Fareham getting off to a strong start, Tadley then hit back. Elliott Amadiou was sent through after an over the top ball by Sam Hamilton, but the centre forward was crowded out by the away team's centre half and goalkeeper - forcing the new striker into a poor strike at goal. Danny Vickers then had an effort from an Aaron Parfitt corner cannon off the bar just five minutes later and the score unfortunately remaining at 0-1.

The away side were having joy in the wide areas and a dangerous free-kick from the left hand side was headed clear by skipper Shaun Dallimore. Danny Vickers then had two efforts on goal. The first saw him drive into the 18-yard box, with his shot being a comfortable one for

the keeper to save. The next was from outside the area forcing the Fareham keeper into a decent save at his left hand post.

After the break Tadley started to completely dominate the game. Three minutes in, a Dallimore header crashed back off the bar from a Parfitt corner. Paul Coventry and Simeon Howell then had shots from around 20 yards out, but the game really changed when Brett Denham entered on 58 minutes. A strong bit of pressing from Denham and Hamilton saw the wide man winning the ball and fell to Denham who carried the ball forward into the box and crossing it for Hamilton to level the match.

The substitute netted his first of the season. An excellent corner from Parfitt was headed back into the 6-yard box for Denham to nod home giving Tadley the lead that they fully deserved. Fareham applied some pressure in an attempt to get back into the game and Gary Austin fired a shot that went over the bar. Hamilton had an opportunity after the keeper sliced his clearance, but it didn't matter as after another superb corner from Parfitt landed on the head of Dallimore which found it's way to Howell to score on his debut.

Team; Gee, Pearson, Parker, Dallimore, Abrams (Charsley), Hamilton, Howell, Vickers, Parfitt, Coventry (Denham) Amadiou (Alliston)
Not Used; Nurse, George

The History

In brief

Tadley has had a football team since the early 1900's. In the modern era the team was re-formed in 1989 and played in the Basingstoke and North Hants Leagues before winning promotion to the Hampshire League.

The club was formed as Tadley F.C. in 1989. They joined the Hampshire League Division Three in 1994, finishing runners-up in 1995–96, gaining promotion to Division Two.

The club changed it's name to Tadley Town F.C. in 1999 and joined Division One upon re-organisation. In 2004, they changed their name to their present name and entered the Wessex Football League Division Three.

Division Three was re-named Division Two in 2006, and the club finished runners-up in 2007. In the 2007–08 season, they won the Wessex League Division One title but were denied promotion as their ground did not meet the requirements for the Premier Division. The Reserve side was also very successful in the same season by taking the Wessex Combination League title.

Since then the team has remained in Division One and has steadily been making progress on and off the field year on year. They narrowly missed out on promotion in 2014-15 and 2015-16 respectively by finishing in 3rd positions in both seasons.

In the 2010–11 campaign they reached the final of the Basingstoke Senior Cup losing to Thatcham Town 4–1. The club then went on to win the same cup in 2013-14 beating local rivals AFC Aldermaston 3-2 (aet) in the final. In September 2014, the club recorded probably the best result of its modern history, defeating Conference South Basingstoke Town on penalties in the Hampshire FA Senior Cup at the Soccer AM Stadium (formerly 'The Camrose') after a 2-2 draw in 90 minutes.

The club had it's best run in the FA Vase last season reaching the 3rd round proper before eventually being knocked out 4-2 after a replay and extra-time against Newport (IoW) from the Premier Division. They also reached the final of the North Hants Senior Cup last season losing out 3-1 to Premier Division side Whitchurch United - again at The Camrose.
